

# **4ID Combined Ground & Aviation Safety Council 2ND QTR**

# Agenda

- **Opening Comments**
- **Council Introduction**
- **Accident Statistics/Trends & Resources**
- **Safety Related Work Order Status**
- **Safety Issues**
- **Open Discussion**
- **Closing Comments**

# **Opening Comments Commanding General**

*STEADFAST AND LOYAL!*

# 4ID Combined Ground & Aviation Safety Council

## **Council Goal:**

To provide a forum for personnel of this command to identify and discuss safety and health issues and make recommendations to enhance the overall safety program of the Division ultimately resulting in the preservation of assets.

## **Format:**

- Old business/New business/Open discussion/Closing Comments
- All issues must be presented in a issue, discussion, recommendation, and status format.
- All issues must be addressed at Brigade level Safety Councils for resolution first. Issues that cannot be resolved at the Brigade level will be submitted to the Division Safety Office NLT two weeks prior to the next Safety Council.

# 4ID Combined Ground & Aviation Safety Council

## Council Membership:

Division Commander	Chair
ADC-M	Co-Chair
ADC-S	Co-Chair
CofS	Member/Co-Chair
Division CSM	Member
Division Safety Manager	Recorder/Facilitator
Division G3	Member
Division G4	Member
PMO	Member
DIVENG	Member
DIVSURG	Member
Brigade Commanders	Member
Brigade CSM	Member
Brigade Safety Officer/NCO	Member
Separate Battalion Commanders	Member
Separate Battalion CSM	Member
Separate Battalion Safety Officer/NCO	Member

# Accident Trends

## Accident Statistics FY04

Category	Accidents	Fatalities	Injuries
POV	9	2	8
POVM	11	3	8
PI	12	1	10
Weapons	0	0	0
Fire	0	0	0
AVN	0	0	0
AVNG	1	0	0
ACV	1	0	2
AMV	1	0	0
Explosives	0	0	0
Total	35	6	28
Total Accident Rate Per 1000 (16206)			2.16
Class A	6	Class B	1

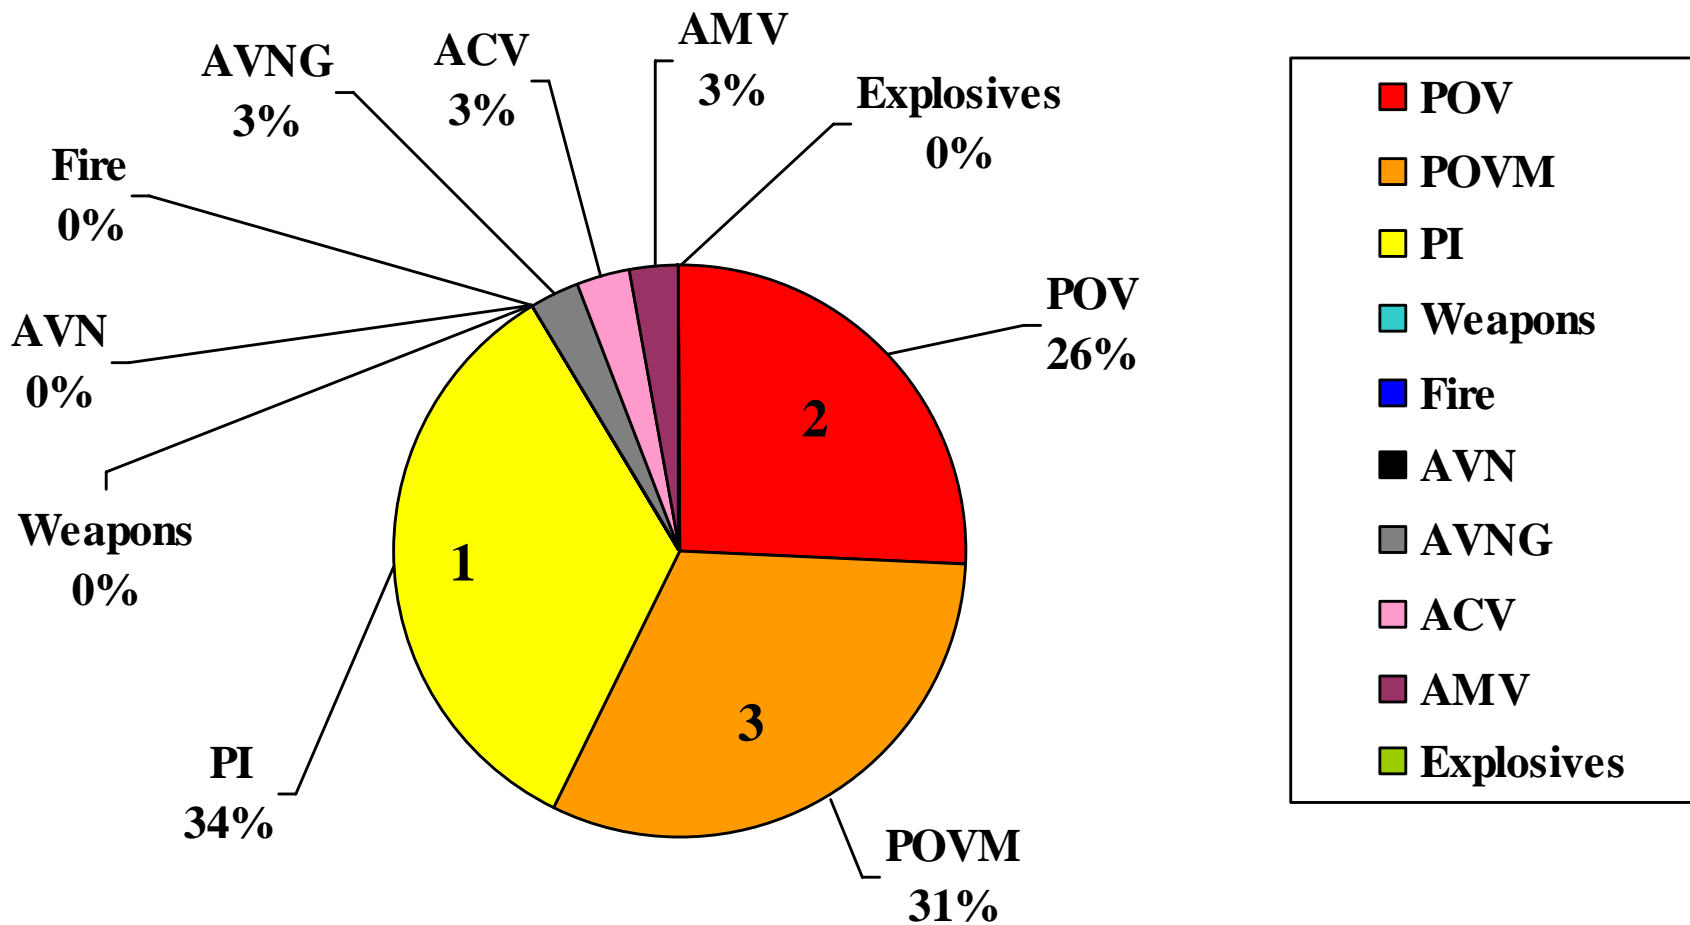

## Accident Statistics FY05

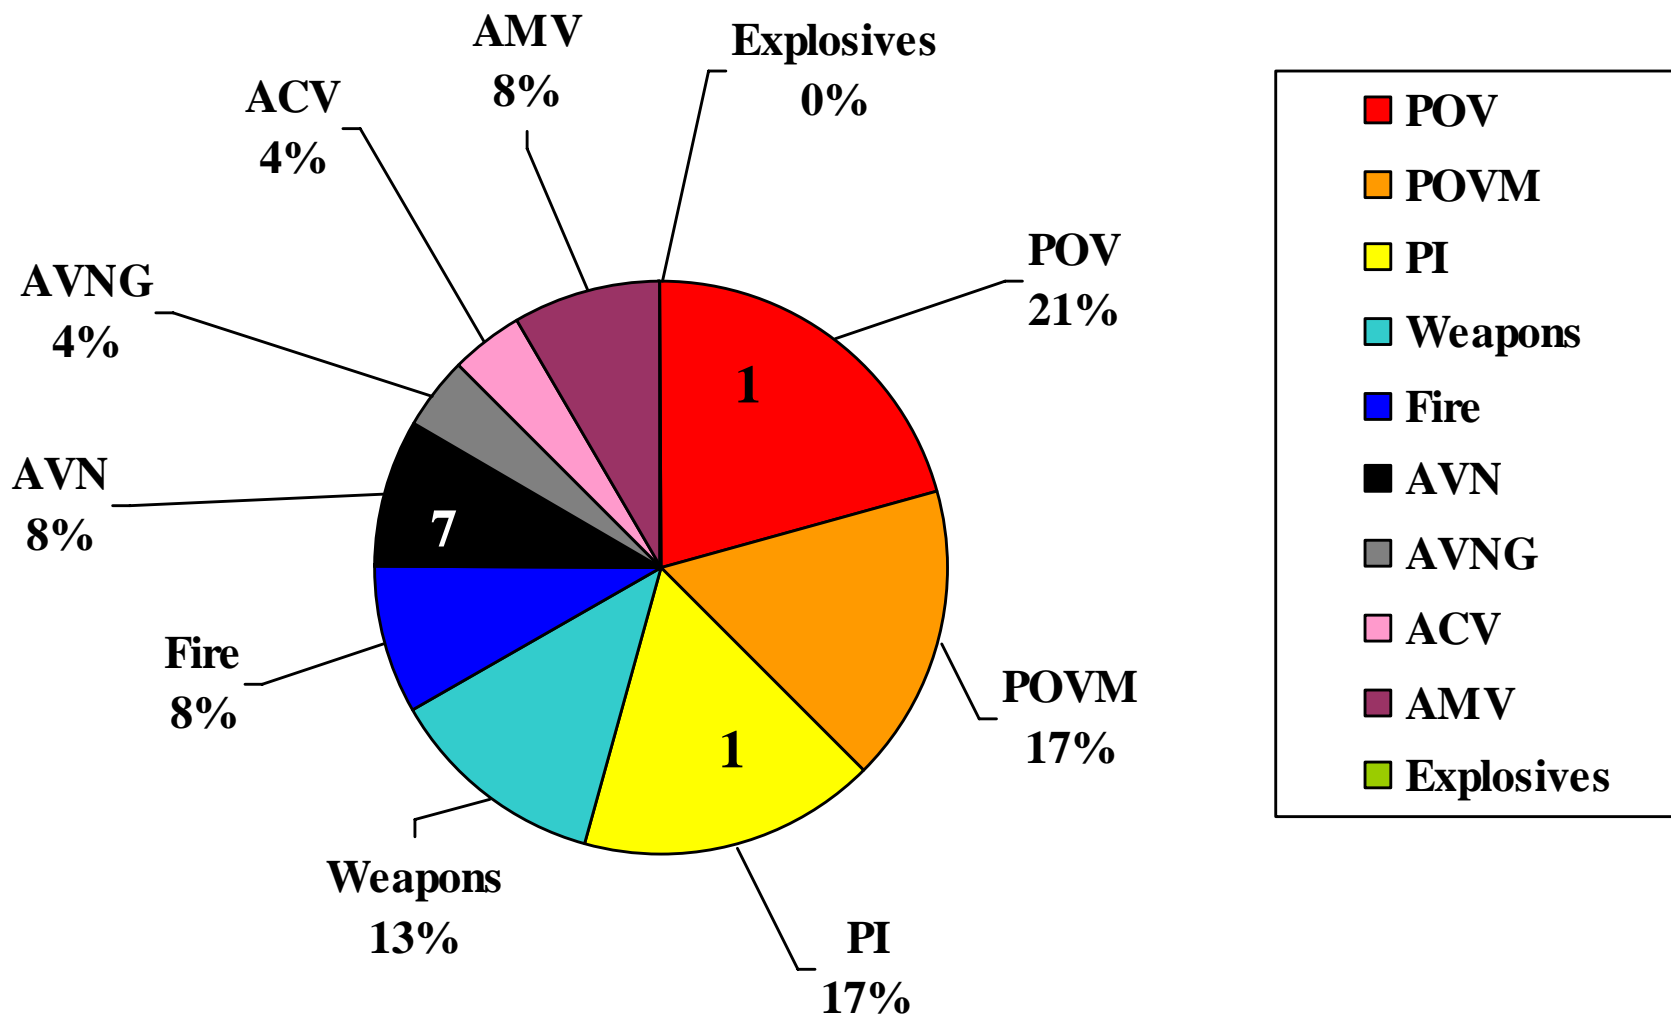

Category	Accidents	Fatalities	Injuries
POV	3	1	4
POVM	5	0	4
PI	4	1	4
Weapons	3	0	3
Fire	2	0	0
AVN	2	7	0
AVNG	1	0	0
ACV	1	0	2
AMV	2	0	1
Explosives	0	0	0
Total	23	9	18
Total Accident Rate Per 1000 (16520)			1.33
Class A	3	Class B	0

# Accidents By Major Category FY05

# **Safety Guidance & Resources**

# Guidance

## **Recent 4ID Guidance:**

- Motorcycle Safety Policy.
- Heater Safety Policy.
- Nine Safety Bulletins.
- One Safety Alert.

## **In Progress:**

- Division Safety SOP.
- Division Severe Weather Safety Policy (Staffing w/BDEs).

## **Recent Higher HQs Guidance:**

- III Corps – Head Protection In Tactical Vehicles.
- III Corps – G1-SAFE-01 Risk Management & Accident Prevention

# Resources

- Army Safety Center Website (RMIS, ASMIS-1 & others)
- 4ID Safety Manager and Public Folders
- Unit Safety Officer or NCO (1 @ Each level)
- Army Community Services
- Local Law Enforcement
- Local Drug and Alcohol Programs i.e. MADD
- ARs, TMs, FMs, TTPs
- Unit Leaders (Officers & NCOs)
- Composite Risk Management  
(BG Smith, Safety Sends 12, handout)

**Division Engineer**

**MAJ Davis**

**(Handout)**

**Old Business - None**  
**New Business**

# Issue

**Issue: Fire suppression system is inoperative in hangar Bldg. 7021.**

**Discussion: The fire suppression systems were tested by DPW and due to failures in the systems caused by the test, the BDE is now required to post fire guards.**

**Recommendation: AVN BDE continue to post fire guards as required and continue to track work order status.**

**Status: W/O #4I 109604P, Tracked by AVN BDE**

**AVN BDE**

# Issue

**Issue: Parking pad deterioration.**

**Discussion: The parking pad is deteriorating due to weathering. This deterioration is causing a FOD and tripping hazard. The Unit and Airfield Operations have place this pad off limits.**

**Recommendation: Unit continue to conduct FOD walks and not use this pad.**

**Status: W/O# AF 100124, W/O# AF 100221P, W/O#AF 100143P, Tracked by HAAF and AVN BDE**

**AVN BDE**

# Issue

**Issue:** Range fire fighting has and continues to place BDE personnel at risk.

**Discussion:** Range control requires a 10-man fire fighting detail when conducting gunneries and other ranges. This detail is provided some equipment and is accompanied by contract personnel. The equipment was found to be inadequate in recent fires and the soldiers are not being trained.

**Recommendation:** That DPW Fire Dept. & Range Control research and provide the proper equipment and training that is provided to regular fire fighters.

**Status:** Open

**AVN BDE**

# Issue

**Issue: Soldier POV & service/delivery vehicles parking on sidewalks, grass, and other non-approved areas near barracks.**

**Discussion: FH 190-5 prohibits parking in these areas. This is creating a two fold hazard.**

**1-Increased fire and security hazard**

**2-Pedestrian hazard**

**Recommendation: That leaders enforce the standard of parking in only approved areas with reinforcement from SDOs/CQs.**

**That Garrison provide the standard to contractors and enforce the standard with service/delivery vehicles.**

**Status: Open**

**AVN BDE**
